

Plan now for a more comfortable retirement

You might be thinking that you have a lot of time before you need to think about retirement. You're right. But you may need to put that time to work.

Here's why:

- ✓ Your pension might not cover all your living expenses in retirement
- ✓ You want to save more so you can enjoy your time in retirement
- ✓ The more time you have, the easier it is to fill a potential income gap

The sooner you start, the easier it can be.

If you wait, it could take much more per pay period to achieve the same goal.

IT'S TIME TO GET STARTED

DEFERRED COMPENSATION MAKES IT EASY

Through your employer's 457(b) deferred compensation plan, you:

Contribute to your account each pay period

Invest that money so it can potentially grow into a lot more

Use tools to monitor your account and make adjustments as needed

This material is not a recommendation to buy or sell a financial product or to adopt an investment strategy. Investors should discuss their specific situation with their financial professional.
