Enjoy Coverage Wherever You Go

More than 60,000 pharmacies with over 20,000 preferred pharmacies nationwide make up our pharmacy network. These include retail, mail service, long-term care, home infusion, and tribal pharmacies. You must use a network pharmacy to receive full benefit coverage on your prescriptions. If you need a prescription before you receive your *Pharmacy Directory*, you can consult the online pharmacy directory at Caremark.com or call Aetna Medicare Rx offered by SilverScript Customer Care to make sure a pharmacy is in our network.

Savings. Safety. Service.

We are committed to helping you get the most out of your Aetna Medicare Rx offered by SilverScript plan, and that means providing you with information that will save you money on your prescription drugs.

Benefits of Getting Your Prescriptions from CVS Caremark® Mail Service Pharmacy:

- Ease of having a prescription delivered to the location of your choice
- Greater convenience with mail service of a 90-day supply of medication — including free standard shipping available anywhere in the U.S.*
- A toll-free hotline to speak with a registered pharmacist about any questions or concerns you may have
- Online and refill-by-phone services to order your prescription refills 24 hours a day, 7 days a week

Please note: Specialty pharmacies may deliver covered medicines through the mail, however, they are not considered “mail-order pharmacies.” Therefore, most specialty drugs are not available at the mail-order cost share.

Your satisfaction is important to us. If you have any questions about your Aetna Medicare Rx offered by SilverScript prescription drug benefit, please call Customer Care at the number on your member ID card.

Due to legislation in Arkansas, effective January 1, 2026, you may not be able to utilize the following services within the state of Arkansas, unless a court takes action: CVS Retail, CVS Caremark Mail Service, CVS Specialty, and OMNI Care long term pharmacies.

The typical number of business days after the mail-order pharmacy receives an order to receive your shipment is up to 10 days. Enrollees have the option to sign up for automated mail-order delivery.

See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.
